**Or email a digital copy of your completed form to: wabcorvallis@gmail.com*

July 17th, 2026

ATTN: Willamette Valley Dancers

Willamette Apprentice Ballet, the non-profit performing branch of the Corvallis Academy of Ballet, would like to invite Willamette Valley dance students to submit their original choreography for its 4th Annual Student Choreography Showcase & Fundraiser on Saturday, March 13th, 2027, 5pm-8pm.

The location will once again be Ashbrook Independent School Theatre. We are hoping to present a variety of dance styles (ballet, modern, tap, hip hop, social, etc.), that are choreographed and performed by student dancers from Corvallis and surrounding areas. There will be time during the morning and early afternoon on March 13th, 2027, for the student choreographers to hold combined spacing/tech/dress rehearsals for their pieces. The student choreographers will need to submit their lighting requests in writing, in advance of March 13th; a tech form will be provided.

We recommend a minimum age of 12 years old and up for all student choreographers and performers, but there is no maximum age for student choreographers or performers: the only requirement is that all participating choreographers and performing dancers are currently dancing with a local studio or taking college dance classes at OSU, U of O, WOU, LBCC, etc.

This event will include refreshments and possibly raffle prizes. All proceeds will go to Willamette Apprentice Ballet, however, you will be allowed and encouraged to advertise your dance studio/program at the event through the distribution of flyers, brochures, etc. The studios that the participating choreographers and dancers come from will be acknowledged in the concert programs, as well as online via the Willamette Apprentice Ballet and Corvallis Academy of Ballet Facebook pages and websites.

Willamette Apprentice Ballet is a 501(c)3 non-profit organization. If Willamette Valley businesses are interested in making a tax-deductible donation to Willamette Apprentice Ballet in general, or specifically to this event, these businesses will receive additional recognition at the March 13th event.

The registration deadline for this Student Choreography Showcase is Sunday, December 20th, 2026. Student Choreographers do not need to have their music and dancer selection finalized by December 20th, but they do need to notify Willamette Apprentice Ballet by this deadline that they intend to participate. WAB will accept a maximum of 17 pieces: 15 pieces for the program + 2 alternates/understudies.

Please feel free to contact me with questions. Thank you: I hope that many Willamette Valley student dancers will be interested in and excited to participate in Willamette Apprentice Ballet's Student Choreography Showcase!
